

Welcome Back! It's A Busy Summer at Codman Square Health Center

It's been a little while since you have heard from Codman. To say this has been a time of change is an understatement. However, after a few months of focusing on COVID, we have a lot more going on.

We've restarted routine care, launched a nurse practitioner residency program, spoken out on the importance of the Black Lives Matter movement, and offered some families mobile pediatric visits.

We are so happy to offer our patients routine care again!

Codman Re-Opens Doors for Routine Medical Care: Beyond COVID-19

Almost four months after we suspended in-person, routine health care visits to focus on COVID-19 care, Urgent Care, and patients who needed emergent, in-person care, Codman is happy to begin re-opening its doors.

Codman Square Health Center Supports Black Lives Matter

The brutal murder of George Floyd by the Minneapolis Police, caught on video so that all could see, was a turning point in the Black Lives Matter movement. When Floyd's name was added to a long list of defenseless black men and women murdered in cold blood, the country and world responded with outrage and pain.

Codman Pediatrics Department Offers Mobile Well-Child Visits

For families who cannot get to Codman for their child's wellness visits, our providers are now available to go to them! The Codman Square Pediatric Mobile Vaccine and Well-Child Van will treat children (ages 0-2) whose families cannot make it to the Health Center because of transportation, health, or other reasons.
